

# Looking for a part-time teaching opportunity that's local, flexible and valuable?

**IDEAL for maternity leave and retired educators!**

Ship Shape Strategies is seeking educators to instruct Chart Your Course™, a program designed for parents and students who are looking for *overall improvement in academic and life organizational skills*. This opportunity is ideal for educators who are looking for flexible and convenient part-time instructing that is valuable to students. Ship Shape Strategies will train instructors, provide materials and handle logistics.

## DETAILS:

Class size: Four to six students (sixth & seventh grade)

Location: Participating schools (after school)

Duration: 1.5-hour sessions once per week for eight weeks

Materials: Includes workbook, textbook and resources

Earnings: Starting \$600/course, referral bonuses (instructors and courses)

Training: Required two half-day sessions (prior to and after first course)
